## Writing Biographies

### ◆ Objective:

To give guidelines to students to tell the life story of a famous person, in a graphic way, from his birth to his death, describing their achievements and failures, and understanding the importance of biographies.

### ◆ Materials:

- Two pages with the biographic scheme
- Glue

### ◆ Instructions:

- Each student will be given the two pages with the schemes for them to put them together.
- The scheme may be completed with drawings, cut-outs, or simply writing what has been previously researched.
- From the scheme, they may either write the biography or present it to their peers.
