Photos that Inspire me

Objective:

To inspire students from the observation of photos and what they may evoke in them.

Materials:

- Printed formats
- Colors
- Pencils
- 5 photos chosen by the teacher

Instructions:

1. Each student will be given a format with the spaces to write and draw.
2. You may show them the pictures one by one or paste them all in a visible place and allow them to work at their own rhythm.
3. Each student will write what the image evokes in them and will draw what it inspires in them.
4. Once the pictures observation is done, they will choose one of them to write a verse about it and what it inspired in them.
