A Song and its Parts

◆ Objective:

To identify the parts of a song and its main elements.

◆ Materials:

- Printed format

◆ Instructions:

1. The teacher will choose a song to listen to in class and print the lyrics for the students to follow in pairs.
2. Together, they will identify the parts of the song in the attached table.
3. After hearing the song as many times as the teacher considers, the students will fill out the form and share their answers with their classmates.
4. Check for coincidences and differences, and which part was the most interesting asking them to explain their answers.

◆ A Song and its Parts

- Classify the parts of the song you heard

Introduction

Verse

Chorus

Closing

- Write your favorite part and explain your answer:
